

## SAN JOSE EARTHQUAKES SUMMER DEVELOPMENT SCHOOLS!!!

UK International partnered with the San Jose Earthquakes to provide Development Schools for High School and Junior High School soccer players in the Bay Area. The aim of these development schools is to introduce soccer players to their local professional team, provide high level coaching from San Jose Earthquakes/UKISC Technical Staff for those serious about the game, and give kids the chance to meet a professional player and get tickets to watch them play! There are currently six locations scattered around the Bay Area.
